

National Mortgage Licensing System Registry

The Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (SAFE Act) was enacted to enhance consumer protection and reduce fraud by setting minimum standards for the licensing and registration of Mortgage Loan Originators. The Act requires Mortgage Loan Originators employed by federally insured depository institutions or their subsidiaries to register with the Nationwide Mortgage Licensing System and Registry and to maintain current registration in that system.

Here is a listing of CapStar's Mortgage Loan Originators with their unique identification numbers. You can verify these registration numbers by going to www.nmlsconsumeraccess.org.
